

Purpose vs Violence 2023 Madison High School

**FOR IMMEDIATE RELEASE:
June 29, 2023**

May 30, 2023 Bill Clair Family Mortuary will be at Madison High School, 9215 Scott St, Houston, in partnership with Purpose vs Violence 2023. Focusing on Potential, Passion, and Purpose; using Conflict resolution to assist young adults in learning that violence can be unlearned.

Bill Clair Family Mortuary buries many young adults due to drug abuse, gun violence, and numerous other violences in the community. Owner Michael Bill brings attention to real life scenarios of violence. *“Tacking the root of violence, mental health is a community effort.” ~Michael Bill*

Mental Health Peer Specialist Reginald “OG-1” Gordon, creator of Texas “Scared Straight” prison program, brings the unique ability to analyze anger. OG-1 will expose real life lessons related to violence. Such lessons will show that life is serious; young adults must engage with individuals that know the ropes and have experienced mental trauma.

Brother’s Organized 4 Change (BO4C) with Credible Messengers will develop relationships through engagement, crisis intervention, and promoting positive mindset changes. Wrap-around programs are essential to conflict resolution and squashing the beef.

Purpose vs Violence 2023 will address high-risk and low-risk young adults, sex trafficking, suicide, and other community violences. The movement invites educators, community leaders, and parents to join the movement. Visit Courcities.com and Email: Courcities@gmail.com .

ABOUT COURCITIES INTERNATIONAL

As an All-In-One events and consulting company servicing individual brands, businesses, organizations, and programs; Courcities International specializes in community public relations and campaigns. Courcities helps clients engage supporters, increase positive impact, inspire people to achieve based on personal vision, and customized community cause related marketing campaigns.

Courcities assists communities directly by providing entertainment through promotional events, working directly with the people affected, and by raising funds to support services needed in specific communities. Courcities connects people to resources providing additional education, tools, and follow-up programs necessary to be empowered.
